The Crown Of Legend Is Gone!

Our heroes, Joe and Mac, have volunteered to search for their leader’s crown and bring it back so that peace can be restored. Of course, they’re not risking their lives just out of the goodness of their hearts – they’re out to impress the cave-babes, too!

Still, it’s Joe and Mac. They may have a little problem with navigation. They’d better be careful not to get lost amidst the murky swamplands and volcanic islands. Only you can save the island and restore the crown to its rightful owner!
GETTING STARTED

Insert your Joe & Mac 2: Lost in the Tropics game pak and turn on your Super NES. After a few seconds, press the START Button at the Title screen to begin the game.
